3/20 Leadership Training: Stepping into Leadership

A recent study by Stanford on Leadership and Management in the Nonprofit Sector of 3,000 nonprofits showed that four of five nonprofits struggle with leadership and management issues. This workshop will explore the current struggles in nonprofit leadership and ways to strengthen this most critical function. Michael Scarpone, guest presenter, has spent over 20 years as CEO of several regional and national nonprofits. As a consultant, Mike has worked with local, regional, and national nonprofits helping them plan and grow into their potential.
