$1 = $4.94

Every dollar you give allows us to provide the value of $4.94 in services and support to people right here in York County. It’s that simple! We call it the Multiplier Effect; recipients call it life changing.

For over 30 years United Way of York County has been improving lives by mobilizing people and resources. We are focused on:

**Bright Beginnings:** Ensuring that all children have the best start

**Connected Youth:** Building stronger community citizens by engaging youth

**Healthy Foods:** Increasing the health and well-being of children and seniors

**Supportive Services:** Investing in programs that meet basic needs

U can make a difference!
