

United Way  
of York County

**FOR IMMEDIATE RELEASE**

**Wheeler Joins UWYC as Finance & Data Director**

**JULY 18, 2018 - KENNEBUNK, ME.** United Way of York County is pleased to announce that Sarah Wheeler has joined the organization as Finance & Data Director. In this role, Wheeler oversees a full range of finance functions from bookkeeping to data and grants management, from financial analysis to reporting. Wheeler provides the primary staff leadership for accounting, fiscal and donor data management, tax reporting, information technology (IT), and facilities management.

“We are thrilled to welcome Sarah to United Way,” noted Barb Wentworth, President & CEO of United Way of York County. “She brings years of experience in both the nonprofit and for-profit worlds to this work. Sarah’s background and skills bring great credibility to this very important role.”

More than 10 years of accounting and finance responsibilities, along with experience in IT and management, made Wheeler the ideal candidate to replace Vicki Swerdlow, who retired on June 1<sup>st</sup> after serving as finance and operations director for seven years. Previously, Wheeler served as corporate controller at S&J Transportation services in Lee, N.H., and prior to that was business manager at St. Thomas Aquinas High School in Dover, N.H.

Sarah is active in her community of Dover, N.H., serving as an alternate planning board member and as a member of the City’s 400<sup>th</sup> Celebration Committee. She also is an alumni and board trustee/treasurer of Leadership Seacoast.
